Brand Positioning: It's Your Sky!

Flying made possible & accessible to every Indian.

Customer Centricity is at the core of everything that we do.

People > Process. Alleviate the intimidation of flying, by being more inclusive.

The Sky is a Community, and every one is a part of it.

There is a piece of Sky for everyone, and Akasa is bringing you to it.

Brand Positioning

Consumer Benefits at Touchpoints

India's 1st Hyper-Personal Airline

We're setting up the Framework to become India's 1st Hyper-Personal Airline in the next 18 months.

But, what does it mean to be Hyper-Personal?

How will Akasa be Hyper-Personal?

Hyper-Personalised usage of Language

*Speaking to consumers in the language/words that they are comfortable conversing in. **We will be vernacular***

Hyper-Personalised usage of Content

*Engaging with the consumers through content that they are interested in. **We will be relatable***

Hyper-Personalised usage of Touchpoints

*Reaching out to consumers at the places where they spend more time. **We will be accessible***

How will we achieve this?

- A Simple Communication Strategy
- Use of Technology
- Always-on Strategy

Creative Manifestation: Your Sky Knows...

Remember – all that time you spent looking up at the Sky wishing things?

Remember – when you dreamt of being in the midst of snow-capped mountains out of the window of your Airplane?

Remember – when you wished to fly out to the Maximum City for your dream job?

Remember – when you wished you could immediately be next to your loved ones when you missed them?

Remember – when you wished you could take your Nani back to the city she grew up in?

Your Sky listened. **Your Sky Knows.**

Your Sky knows your dreams. Your Sky knows your wants. **Your Sky knows you!**

This is your story.
How you took the leap of faith with your pursuits
and always found some time for those you love.

We know there are many journeys you are
waiting for and that you also have a wishlist for all
the moments yet to come.
We are taking notes.

Thrilled to be a part of your story!
From touchdowns to takeoffs

This year, you spent (Hrs of flying) to reach places
and make your mark!

We can't wait to see where you move next!

Take a moment for yourself, Anamika. This year
you spent 38 hours in the air.

You took the leap of faith with your pursuits, and
yet, always found some time for those you love.

We know there are many journeys you're still
waiting for, and that your wishlist is a WIP. Don't
worry, we have been taking notes.

And hey, we can't wait to see where you move
next!

Your Sky knows that there's a long way to go, but
you can always come back home.

Yours Truly,
Akasa Air.

Creating A Big Impact During Launch

- An Impactful PR Story

We're giving away pieces of Sky!

- *The idea is to create intrigue among the audiences & capturing data at the same point*
-
- *Once the customer scans the QR code, they will be taken to a landing page (ownyoursky.com) where they have to simply enter their name and a virtual piece of Sky will have their name to it*

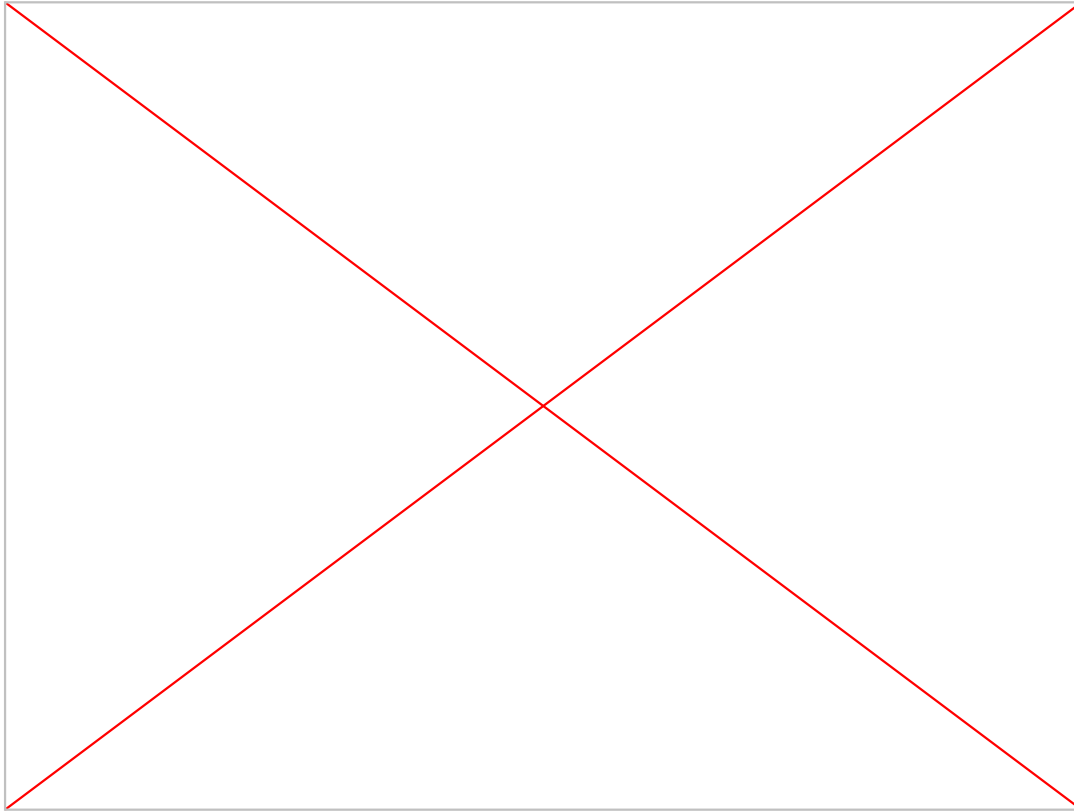

An Instagram innovation

The audience will be invited to simply leave a ✈️ emoji on Akasa's Instagram post & wait for a surprise in their DMs

Every person who comments will receive a DM with a photo of Sky and their name on it & the communication: It's Your Sky!

Further, personalised offers can be rolled out

An Example of such a Case for Domino's By Schbang

Your Sky knows where you want to go next

Build an impactful, digitally-advanced, dynamic Billboard that runs a countdown for Akasa Air's next flight. At the time of take-off, let the Billboard's Screen transition from a Countdown to a visual pointing towards the flight, with short and crispy copy.

Fly with Akasa.

It's

Your

Sky.

India's First-Ever Flying QR Code:

- *A Personalised Invite for Everyone to come aboard Akasa*
- *6 Cities in India will experience a flying QR code that will open a video upon scanning. In the video will be a Popular Celeb inviting them to fly with Akasa & giving them a code to unlock offers*

A Sky Full of... You!

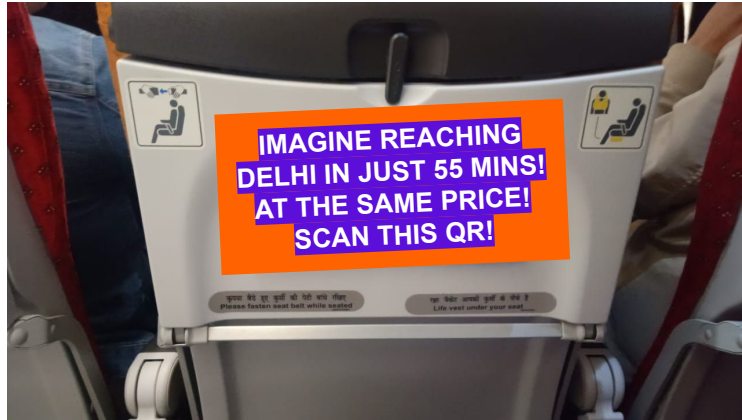

Is your name Akash? or Aasma?

A simple PR stunt where Akasa will invite every person whose name linguistically denotes Sky for an all-paid flying experience

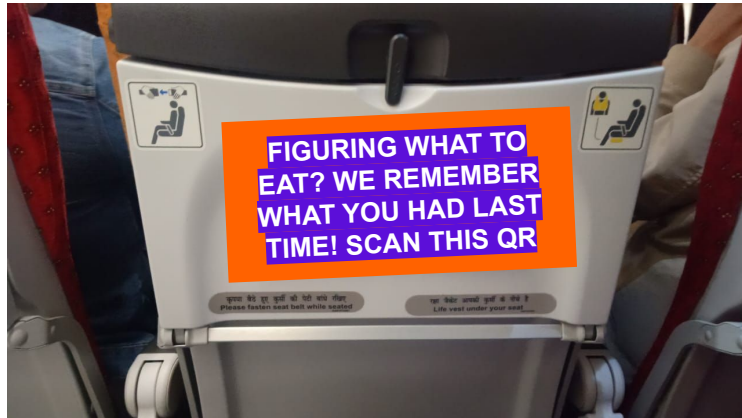

Right after the activity, we will roll out a PR saying whether you're an Akash or not... The Sky is Yours. Inviting everyone aboard.

Hyper Personalised Ads: Inflight & 3rd Party Touchpoints

*Part 1: For New Customers
Where: Trains, Buses, Taxis*

The idea will be to reduce intimidation of flying with a touch of personal. When the person scans the QR code they will be asked to fill in their name & soon they will receive a personalised video invite to fly with Akasa. The video could also give them a virtual tour

*Part 2: For Repeat Flyers
Where: Inflight*

Whenever a customer flies Akasa the first-time, they will get a Flyer Profile made that they can access on Web, App, WhatsApp - the profile will capture all their journeys and gamify their flying experience

Conveying Our Tone Of Voice

We're Not B2C or D2C!

- *To get the Smart Frequent Flier's attention we want to appeal to them through our Tone Of Voice – the fact that we're all about 'Making Flying Human'*
- **Copy:**

Move over B2C & D2C
We're H2H: Human to Human

Are we the no. 1 Airline? Not Yet
Will you be our No. 1 Priority? Definitely

Experience Akasa Air by simply scanning this QR code

Visually, we will show different experiences that people go during flight travel: Check-in, Security, and In-flight.

Digital Partnerships
